1) In their office letter dated 9-10-4 instructions were issued to

to the chairman of the Bangalore enforcement Trust Board to the effect that all advertisements to be released by the Trust Board should be got published in the local News papers through the Publicity officer to govt., except in emergent cases. These instructions were issued in view of the orders of the Minister for Finance and Industries at para 41 of the notes of the collection put up (flg 13)

4) The Board, while recording the above orders of govt, have passed a resolution to the effect that a copy of schedule of rates for various papers for publication of advertisements be obtained from the publicity officer and kept for reference

4878 ✓5848/ml

Bangalore Trust Board so that the same rates might be adopted by the Trust Board, as the would avoid repeated references ~~to the publicity officer~~ to the publicity officer and consequent delay in the matter

5) The chairman of the Board requests approval to the resolution passed by the Board, as at para 4 above

6) In these circumstances, the resolution may (perhaps) be approved with the observation that under no circumstances, rates higher than those fixed by the publicity officer for advertisement in different papers should be paid by the Board this is for orders

A 10/2 7) The resolution of the Trust Board in the matter appears to be an indirect attempt to have the orders of Govt. in the matter thereby A system that is good enough for all Govt. departments and accepted by the audit to be workable in the Board also However the Trust Board is also given the latitude to fix it

Nil Publication of advertisements of the Bangalore City Improvement Trust Board

advertisements published direct in exceptional cases. In these circumstances the Board seem to have no reasons at all to any sort of complaint and it would appear to be necessary to tell them that they should strictly follow the orders of Govt in the matter and that the question did not call for any resolution on the part of the Board

With reference to the correspondence ending with Revenue Secretary's letter No L.3726/M1.13-47-92 dated 9-10-1948 stating that all advertisements to be relased by the Trust Board should be got published through the Publicity Officer to Government except in emrgent cases, I have the honour to state that your letter was placed before the Board at its meeting held on 16-11-48 and it was recorded with the observation that a copy of schedule of rates for various papers for publication of advertisement be obtained from the Publicity Officer and kept for reference so that the same rates might be adopted by the Trust Board as this would avoid repeated reference to the Publicity Officer and the consequent delay and that Government be addressed in the matter.

I am accordingly addressing the Publicity Officer separately asking for a copy of schedule of rates for various papers in respect of publication of advertisements for consideration of the Board.

I request that in the circumstances, approval of Government may kindly be obtained to the resolution of the Board
